Catherine Hill Bay Progress Association

COMMUNITY SURVEY 2015

This survey is to help the Progress Association understand what the people of the Bay want for their town. It is <u>not a VOTE</u>. We are asking for your opinions to help guide the Progress Association. The survey is <u>VOLUNTARY</u>, and you do not have to complete it if you do not want to, but please take time to complete the survey because all opinions are welcome and will be respected. You do not need to add your personal details, but it would be appreciated so we know forms are from local people.

The Community Survey has been conducted every 4 years since 1994 and the results help the Progress Association make decisions to advance the interests of the Bay.
